

## Online Cooking Workshop 25.04.2021, 7.30 pm

Together with our friends from our partner district of Emek Hefer in Israel, Werner Stettner and Alon Sander would like to offer a glance into each other's kitchen. And you may, can and should participate!

Alon is excited about the annual Asparagus-passion in Germany, Werner enjoys the variety of spices in oriental dishes, which he experiences in Israel.

Both of them will cook before your eyes, working step by step. Stopping every 10-15 Minutes to allow you to ask questions and complete the steps yourselves.

During that time at the Zoom-conference Werner and Alon will be at hand to describe, explain and help. But also to tell stories and anecdotes. After three such steps we should be ready to eat – and hopefully enjoy!

The dishes will be: Asparagus, steamed with Sauce Hollandaise, prepared tepid with pine seeds and capers or as a salad with walnut vinaigrette. Main dish: Kofta in tahini sauce with a salad made from chickpeas and beetroot.

**All further details (i.e. list of ingredients and the Zoom invitation link) will be available from Friday, April 16th 2021 on our website [www.cjz-siegen.de](http://www.cjz-siegen.de) with the following link: <https://www.cjz-siegen.de/category/aktuelles> . The event will be in English! No prior registration necessary.**

This event is presented in cooperation with our partner district Emek Hefer and the Kreisjugendring Siegen-Wittgenstein.
